Data sources:

CTS	Data are provided to UNODC annually by national police, national statistical offices or other competent national authorities through the United Nations Surveys on Crime Trends and the Operations of Criminal Justice Systems (CTS). Detailed information can be found on http://www.unodc.org/unodc/en/data-and-analysis/United-Nations-Surveys-on-Crime-Trends-and-the-Operations-of-Criminal-Justice-Systems.html .
Eurostat	The statistical office of the European Union. Offences recorded by the police.
Interpol	International Criminal Police Organization.
NGO (a-c)	Non-governmental organization: (a) Mayra Brea de Cabral and Edylberto Cabral (2009), "Violence in the Dominican Republic: nature, recent developments and prospects for control". Authors calculations based on data from the national police and the Attorney General of the Dominican Republic (b) Annita Montoute and David Anyanwu (2009), "Situational Analysis of Gun Related Crime in the Caribbean: The Case of Trinidad & Tobago; Antigua & Barbuda; St Vincent & the Grenadines and St. Lucia". Prepared for the Coalition for Development and the Reduction of Armed Violence (c) The Venezuelan Program of Action and Education in Human Rights (PROVEA).
NSO	National Statistical Office.
OAS	Organization of American States — Observatory on Citizen Security. Number of offences of intentional homicide recorded by the police.
OCAVI	Observatorio Centroamericano sobre Violencia - The Central American Observatory on Violence. Sourced from national police data.
PAHO	Pan American Health Organization's Core Health Data System.
SES	Regional System of Standardized Citizen Security and Coexistence Indicators.
Transmonee	UNICEF Transmonee Database. Innocenti Research Centre, Florence.
UN-PKO	Peacekeeping Operation.
UNECE	United Nations Economic Commission for Europe.
WHO	World Health Organization Global Health Estimates 2014: draft homicide estimates for year 2012.
WHO-MDB	World Health Organization Mortality Database.
